

Vehicle Graphics Installer

Responsibilities and Duties:

- Work 40.0-hrs/week with potential opportunities for OT.
- Work is predominantly indoors (at our install bay and at client facilities), but there are instances for onsite locations, including outdoors.
- Installing & removing vehicle graphics and wraps.
- Installation of hard signage and wall graphics.
- Ability to conduct site surveys.
- Be proficient with hand tools.
- Work with the Install Team to manage production schedules which meet our customers' expectations and deadlines.

Qualifications and Skills:

- Attention to detail is a must.
- Strong work ethic and great attitude.
- Previous experience on man lifts and scaffolding.
- Ability to work as an individual or as a team member.
- Willing to learn and accept critiquing of work.
- Willingness to attend VMS paid training workshops.
- Ability to communicate professionally and effectively with coworkers and customers.
- Able to work under tight deadlines.

****We are looking for both experienced custom vinyl graphic installers and individuals ready to learn these skills under the guidance of experienced professionals. ****

Job Type: Full-time

First Shift: 7:30pm – 4:15pm (45-minute lunch)
